

Are You Missing Out on the Best INVESTMENT OPPORTUNITIES?

Looking for Long Term Investment Analysis?

Look no further

Company REFS has it all

**10 DAY
FREE TRIAL**

Without the right tools, long term investment selection can be a difficult process, trawling through hundreds of companies' accounts and statements - all prepared and presented in different ways.

Company REFS, the UK's leading stock selection tool, helps make long term investments much easier by providing all the information you need in one place.

Available as a hard copy and an online service, Company REFS offers:

- ✓ The latest **data and key statistics**
- ✓ Coverage of all **UK stocks**
- ✓ **Uniform presentation** of all companies
- ✓ **League tables**
- ✓ Directors **share dealings**
- ✓ **Earnings estimates**
